- **Seatrade Maritime Awards is a widely-acknowledged industry awards, and “The Shipbuilding & Repair Yard Award” recognizes outstanding shipyards in the region**
- **Endorsement of Yangzijiang’s forefront shipbuilding capabilities, stable delivery record, constant efforts in R&D and in the introduction of new vessel models, and commitment towards building green vessels**

SINGAPORE – 18 November 2015 – Yangzijiang Shipbuilding (Holdings) Limited (“Yangzijiang” or the “Group”), one of PRC’s leading and most enterprising shipbuilder listed on the SGX Main Board, announced today that it was awarded “The Shipbuilding & Repair Yard Award” (the “Award”) at Seatrade Maritime Awards Asia 2015, announced at a gala dinner on 16 November 2015.

With an independent panel of judges who have decades of trade experience, the Seatrade Maritime Awards is widely acknowledged as one of the region’s most prestigious industry awards. The judging criteria for the Award include business profitability, reliability record, rate of lost time accidents, innovation in product offerings, and commitment to the environment in operations. Yangzijiang was amongst three finalists in this category.

Commenting on the Award win, Mr. Ren Yuanlin (任元林), Executive Chairman of the Group, said,

“We are pleased to see that Yangzijiang has been recognised as one of the leading shipyards in the region. It was an honour to be included as a finalist for The Shipbuilding & Repair category amongst other industry leaders, and it was an even greater achievement to win the award for this category.”

From left to right: Mr. Zhang Hongfei (Head HR), Mr. Romil Singh (Financial PR), Ms Cherry Wang (BNP Paribas), Mr. Miao Weiqun (Vice-GM), Ms Liu Hua (CFO), Mr. Logan Chong (BNP Paribas), Ms Yang Jing (SCMP).

Over the years, Yangzijiang has made consistent efforts in building top-notch shipyards. In terms of capacity, Yangzijiang has grown into the largest private shipyard in China; in terms of capability, with our investments into R&D and the technological breakthroughs we have accomplished, we have introduced a series of new products, which include large-size containerships, LNG carriers and clean energy vessels. Committed to environmental protection, we have worked hard to build our shipyards and our shipbuilding capability to cater to Green Vessels. Guarded by our operational efficiency and strong financial position, we have maintained a good delivery record and established a stable client network that continues to bring about orders from repeat customers. Yangzijiang normally ranks among the top-10 shipyards globally in terms of outstanding order book, and this healthy order book ensures good utilization of our yard capacity.

I would like to thank Seatrade Maritime Awards and the judges for their endorsement of Yangzijiang. Our mission is to build an outstanding shipbuilding group that has a commanding position not only in China, but globally. Our efforts to strive for the highest standard in the shipbuilding industry will never cease.”
